Welcome!

Thank you for considering me to be part of your special day. This repertoire is designed to help you find music that reflects your unique love story.

Please note:

- **Underlined songs** are linked to YouTube recordings of my own performances, so you can hear my style before making your selections.
- Most songs can be performed with a variety of accompaniment options—including **solo piano, string quartet, symphony orchestra, cello, acoustic guitar, or a contemporary backing track with drums—if the resources are available**. If you have a particular style or instrumentation in mind, I'd be happy to customize the arrangement to match the atmosphere of your wedding.
- The first half of this repertoire features my violin repertoire, while the second half features my piano repertoire.

If there's a song you don't see on this list, feel free to ask! I'm always happy to discuss special requests whenever possible.

Here's my phone number 312-478-6836 . Please text me before calling. Sometimes I'm teaching, performing, or meeting with clients, and unfamiliar numbers may go to voicemail. Sending a quick text first lets me know you're trying to reach me, and I'll be happy to return your call as soon as I'm available.

Can't wait to working with you!

Best, Aviva
